

LONDON CORPORATE TRAINING

Accommodation List

Listed below are the address, contact and pricing details of over 20 hotels within a 5-minute walking distance from the training centre. At the end of this document you will also find a map indicating the location of every hotel in relation to the training centre.

Delegates are strongly advised to book prior to their visa application and obtain a booking confirmation as proof of accommodation is a necessary requirement for most student visitor visa applicants.

Please note, all prices quoted are inclusive of VAT. However, in the case of budget accommodation, course participants are advised to check if the rooms are en-suite or not, and if breakfast is included in the price.

When enquiring, delegates should inform the hotels that they are clients of LCT as this may entitle them to special discounts. Participants are also recommended to check if discounts are available for bookings done online or for longer periods.

The cost of your stay is your responsibility and all outstanding payments must be settled prior to departure.
